

ULVERSTONE HIGH SCHOOL STRATEGIC PLAN 2016

OUR VISION

To create simply the best school

OUR MISSION

At Ulverstone High we are committed to providing personalised learning in order to prepare students for their future pathways. We foster the development of creative, caring and lifelong learners within a safe and supportive school environment.

OUR PRIORITIES 2016

Effective Teaching and Learning

- To create a consistent and coherent curriculum across all subject areas and grades
- Explicit teaching of vocabulary across all subjects and grades
- Developing 'Multiplicative Thinking' and specifically teaching these skills in Year 7 and 8
- Implement My Education program.

Respectful Schools

- Build consistent whole-school approaches to respectful relationships and behaviour
- Improve student attendance.
